

BIGW

Operating Manual for Garment Hangers

1. Introduction

The Big W hanger range consists of black garment, lingerie, black fashion accessories and black footwear hangers. All these hangers can take the form of merchandise delivered hanging, in bags, or included with merchandise flat packed in cartons.

This manual has been compiled for Suppliers, Quality Assurance, and Buying Office Personnel.

The Buying Office is responsible to select the most appropriate hanger to suit merchandise for floor ready presentation.

IMPORTANT NOTICE:

To ensure integrity and consistency for Big W from the 1st August 2007, all hangers and accessories **MUST** be purchased from TIC, the only approved Service Provider for Big W hangers and accessories. Please note this is a requirement for conducting business with Big W.

Failure by suppliers to comply with these conditions post 1st August 2007 will represent a substantial breach of Big W conditions of supply and penalties may apply if infringements occur. Big W will monitor compliance through monthly reporting procedures and store audits, to ensure the objectives are met.

The hangers and accessories are the registered intellectual property of TIC, and as such, suppliers are not permitted to copy or reproduce these by any means.

2 Ordering

Big W request that suppliers place orders by accessing the TIC website and following the prompts. To use the online ordering system, suppliers must be registered with TIC, and be issued with a password. All orders placed online will be automatically confirmed by return email. **All orders will be rounded up to the nearest full carton.**

It is the Suppliers and/or Agents responsibility to ensure that the hanger specified by Big W is the only hanger used on Big W garments and that the colour coded size labeling system is used correctly.

Example:

Overseas suppliers and Australian importers should ensure that the hanger cost (per unit) and hanger origin is shown on the invoice.

If you have any queries, please contact the TIC (Retail Accessories) office. We suggest that you also consult with your Customs Agent.

3.2 China

Upon receipt of orders at TIC, a fax, accompanied by a telephone call is made to Suppliers, requesting a copy of their Customs Documentation.

From receipt of all Customs documentation goods are despatched within 3 business days.
