Apparel Suppliers Manual

Approved Hanger Range

1. INTRODUCTION

The Harris Scarfe hanger range consists of garment, lingerie, fashion accessories and footwear hangers. All these hangers can take the form of merchandise delivered hanging, in bags, or included with merchandise flat packed in cartons.

This manual has been compiled for Suppliers, Quality Assurance, and Buying Office Personnel.

The Buying Office is responsible to select the most appropriate hanger to suit merchandise for floor ready presentation.

IMPORTANT NOTICE:

To ensure integrity and consistency for Harris Scarfe from the 1st August 2006, all hangers and accessories **MUST** be purchased from TIC, the only approved Service Provider for Harris Scarfe hangers and accessories. Please note this is a requirement for conducting business with Harris Scarfe.

Failure by suppliers to comply with this condition post 1st August 2006 will represent a substantial breach of Harris Scarfe conditions of supply and penalties may apply, if infringements occur. Harris Scarfe will monitor compliance through monthly reporting procedures and store audits, to ensure the objectives are met.

The hangers and accessories are the registered intellectual property of TIC, and as such, suppliers are not permitted to copy or reproduce these by any means.

2. ORDERING

Harris Scarfe request that suppliers place orders by accessing the TIC website and following the prompts. To use the online ordering system, suppliers must be registered with TIC, and be issued with a password. All orders placed online will be automatically confirmed by return email. **All orders will be rounded up to the nearest full carton.**

It is the Suppliers and/or Agents responsibility to ensure that the hanger specified by Harris Scarfe is the only hanger used on Harris Scarfe garments and that the colour coded size labeling system is used correctly.
