**Approved Hanger Range**

# 1. INTRODUCTION

---

The Target hanger range consists of garment, lingerie, fashion accessories and footwear hangers. All these hangers can take the form of merchandise delivered hanging, in bags, or included with merchandise flat packed in cartons.

This manual has been compiled for Suppliers, Quality Assurance, and Buying Office Personnel.

The Buying Office is responsible to select the most appropriate hanger to suit merchandise for floor ready presentation.

## **IMPORTANT NOTICE:**

To ensure integrity and consistency for Target from the 28<sup>th</sup> June 2004, all hangers and accessories **MUST** be purchased from TIC, the only approved Service Provider for Target hangers and accessories. Please note this is a requirement for conducting business with Target.

Failure by suppliers to comply with this condition post 28<sup>th</sup> June 2004 will represent a substantial breach of Target conditions of supply, and penalties may apply, if infringements occur. Target will monitor compliance through monthly reporting procedures and store audits, to ensure the objectives are met.

The hangers and accessories are the registered intellectual property of TIC, and as such, suppliers are not permitted to copy or reproduce these by any means.
